**CONGRATULATIONS TO OUR 2021 SCHOLARSHIP WINNERS!**

**Renae Tanuyak, Rankin Inlet**  
**Sakku Scholarship Amount: \$2,500**

---

*"My name is Renae Tanuyak from Rankin Inlet and currently taking Management Studies Year 2. I am enjoying all the courses so far but the course I am doing right now is called Fundamental Accounting Principles Volume 2 and it really challenging, it gets you thinking to where you can't think anymore.*

*I've always wanted to take this course when I was younger, but I have 4 kids to take care of first, and now I have the chance to start and finish this! You are never too old to go back to school and I want to show my children that you can do anything if you put your mind into it!*

*My plan once I am done college is to either find a good office job or maybe go for more schooling elsewhere!"*

**Congratualtions to you Renae, May you make your kids, family, and community all very proud!**

**Tessa Angootealuk, Rankin Inlet**  
**Sakku Scholarship Amount: \$2,500**

---

*"My Name is Tessa Angootealuk of Rankin Inlet, I am currently in my 2<sup>nd</sup> year of Management Studies. In management studies we study the area of business and how business works. My favorite subject is anything Math related, like accounting. I plan on finding a job that is finance related.*

*thank you,  
Tessa"*

**We wish you continued success throughout your schooling!**

**Stacy Anawak, Ottawa**  
**Sakku Scholarship Amount: \$2,500**

---

*"I am a student at Algonquin College third year of Business Administration – Human Resources Advanced diploma. Business administration is a three-year program where students can choose a major, HR, Accounting or Marketing. I chose HR as I have always had an interest in and had taken some online courses previously and knew I wanted to pursue it further. Living in Ottawa over the past few years has not been easy, especially during a pandemic, but I was committed to completing this program, and will finish in the spring of 2022. Some students had returned home, but I adjusted to remote and online learning and would not let that deter me. As we have been taught by our parents to go with the flow and adapt to situations, and this has been a life learning lesson. I am also proud to announce that my daughter Jade started college and is now studying nursing in Iqaluit. My lifelong goals are to relearn Inuktitut and had been planning on continuing my education but after this year, I think I will take a break first. I am forever thankful for the support I have received from my family, and through programs like Sakku Scholarships. Qujannamiik, Stacy Anawak"*

**Congratulations and good luck with your educational plans now and in the future Stacy!**
