“Attention Arviat Community! Sakku is excited to announce that construction activity on the SIBS Modular Facility and Training Centre will be underway this summer. Activity on site is expected to increase around the time of the first sealift and will be completed over the next year and a half. Feel free to drop off resumes at the site or email them through Sakku at [hiring@sakku.ca](mailto:hiring@sakku.ca). We’re thrilled to be part of this community and look forward to the future together! Thank you for your support.”
