HEAVY EQUIPMENT TECHNICIAN APPRENTICE

Sakku Enterprises Ltd. currently seeking a motivated and enthusiastic individual to join our team as a Heavy Equipment Technician Apprentice. This is an opportunity to pursue a skilled trade while gaining hands-on experience with a wide range of heavy equipment. Under the guidance of experienced journeypersons, the apprentice will support the maintenance and repair of heavy-duty equipment while developing valuable industry knowledge and technical skills.

Job Requirements

- High school diploma or equivalent preferred.
- Strong mechanical aptitude and interest in heavy equipment.
- Ability to follow instructions and work effectively as part of a team.
- Good problem-solving skills.
- Willingness to learn and develop new skills.
- Valid driver's license

Responsibilities

- Diagnose and troubleshoot mechanical, electrical, and hydraulic issues in heavy equipment.
- Perform maintenance, repairs, and overhauls on engines, transmissions, brakes, and other systems.
- Operate and inspect equipment to identify problems.
- Read and interpret technical manuals and diagrams.
- Follow safety procedures and maintain a clean work environment.

Pay rate will depend on qualifications and level of experience. Sakku Enterprises Limited offers reduced flights and cargo benefits with Calm Air, and a benefits package that includes optional group insurance and health benefits.

Competition Closing Date: Open until filled.

- Preference will be given to Inuit enrolled under the Nunavut Agreement.
- Only those candidates selected for an interview will be contacted.

To apply for this position, please send your resume and cover letter to hiring@sakku.ca
